FY15 revenues are budgeted slightly higher than FY14 budgeted and actual revenues. An increase in the unrestricted en**eowdi**stribution and in fee income as a result of improved investment returns and endowment growth will help to make up for a reduction\$200,000 in institutional support, as will a \$100,000 transfer from the unrestricted fund balance.

FY15 expenses are lightly higher than FY14 budgeted expenses, but lower than FY14 actual expenditures. Staff turnover and challenges in filling two vacant positions resulted in the lower than budgeted expenses in FY14. The two vacant positions have now been filled.

The slight budget increase allows for investment in fund development strategies(training and technical assistance) at have already proven effective in helping the university development teams to increase contributions and a pilot project aimed at helpingmonunity campus development efforts.

The UA Foundation Board of Trustees also voted to provide a special grant of \$57,950 in support of faculty travel related to Shaping Alaska's Future implementation efforts.
