RATIONALE/RECOMMENDATION

The president and selected members of the university administration are routinely designated by the Board of Regents to
handle any duties and responsibilities relating to classified information in connection with contracts with the Department
of Defense and other federal agencies. These individuals are given an extensive security screening and are the only
members of the university administration to have access to classified information.

The university has received similar security clearances since the mid-19 0s. Execution of the resolution means that
regents and other members of the administration will not have access to the classified information and are not in a
position to affect the handling of classified information, thus do not need to be processed through security clearance
procedures. The resolution is identical to resolutions previously passed except for changes to members of the board.

A. Executive Session

ASSED

"The Board of Regents goes into executive session to discuss matters the immediate knowledge of which
would clearly have an adverse effect on the finances of the university relating to personnel and compliance
and matters which could affect the reputation or character of a person or persons relating to their self-
