# Health Savings Account

The Health Savings Account (HSA) is a tax-advantaged savings account that you can use to pay for qualified medical expenses. It is owned by you and is not subject to the same restrictions as a Health Savings Account (HSA) owned by your employer. The HSA is a tax-advantaged savings account that you can use to pay for qualified medical expenses. It is owned by you and is not subject to the same restrictions as a Health Savings Account (HSA) owned by your employer.
